The same applies to Verandah. Both were taken very wide on the turn for home.

Winner—B. g. by Monarch—Princess Yama (trained by H. I. Saxton).  
Went to post at 2:31. At post 2 minutes. Start good. Won driving; second the same. Brookston was lucky at the start and, finishing fast, just got up in the last stride next to the inside rail. Brilliant was off badly, but made up much ground and would have won in another stride. My Gem was also off poorly, but closed a big gap and finished gamely and may have been best. John Randolph showed improvement and was a prominent contender all the way. Tennyburn went well. Piring Line tired. Monis showed much the most early speed, but failed to stay.  
Scratched—60864 St. John, 106.  
Overweights—Raining Leaves, 2 pounds; Flying Trapeze, 21.

Winner—Ch. f. by Locohatchee—Sarg (trained by S. C. Hildreth).  
Went to post at 2:58. At post 1 minute. Start good. Won driving; second the same. Logistilla ran around the leaders on the turn for home and swung wide into the stretch, but finished with a rush and got up in the last stride. St. Valentine was reserved in the rear to the stretch, but came with a rush in the last sixteenth and caught Macy Jr. tiring. The latter was in active contention all the way and finished gamely. Lady Navarre ran well to the stretch, but was overweighted and tired badly in the stretch. Peter Paul showed early speed, but failed to stay.  
Overweights—St. Valentine, 1 1/2 pounds.

**60957** FOURTH RACE—5-8 Mile. (Track record 1:00.) The Rosebud Stakes. \$1,000 added. 2-year-olds. Allowances. Net value to winner \$1,265.

Winner—Ch. c. by Giganteum—Quirass (trained by C. De Witt).  
Went to post at 3:30. At post 2 minutes. Start good. Won driving; second the same. Judge Davey came with a great burst of speed in the final furlong after keeping well up with the others and, in a hard struggle, got the verdict by a neck. Friction closed a lot of ground from a slow beginning and was pressing the winner hard at the end. Gold Circle also made up much ground and finished very gamely. Salvia and Glad Pirate raced each other to exhaustion and quit badly. Quagga ran a good race, but tired. Mintheria went well throughout, but was not good enough.  
Scratched—(60675) Benay, 123.  
Overweights—Al Powell, 1 1/2 pounds.

**60958** FIFTH RACE—1 Mile. (Track record 1:39.) Purse \$400. 3-year-olds and upward. Selling. Net value to winner \$300.

Hyacinth came wide when turning for home, but finished fast and was an easy going second. Sageguard saved ground on the last turn and took the shortest way home. Barkelmore showed early speed, but tired badly.

## JUDGE TREEN WINS THE JUVENILE STAKES.

Lady of Navarre is Defeated at Crescent Park—  
New Orleans Racing Gossip.

New Orleans, La., March 10.—The Juvenile stakes, the most important and richest fixture for two-year-olds run at the City Park meeting and the feature race of the programme at the new track this afternoon, was won by Judge Treen. Among those which finished back of him was Lens, hitherto rated by horsemen as the best colt here. Judge Treen ran in the colors of J. E. Dearhoef, of Louisville, Ky., who purchased him a few days ago from J. B. Lewman. In his previous starts in the National Stakes and the Louisiana Stakes Judge Treen was badly interfered with and did not show his true form.

One of the largest crowds of the meeting was present and the twenty-two books that drew on had all the business they could attend to. The track, while not deep, was lumpy and slow.

Jack Phillips received word from jockey Hildebrand this morning that he would be unable to ride Jack Dolan in the City Park Derby. Phillips wired to New York to Frank O'Neill asking him to come on and ride his colt. In the event that O'Neill not being able to come here Landry will probably have the mount.

M. T. Danaher has disposed of his half interest in Nevada to Z. N. Benton, who was in partnership with him in the business which was being prepared for a "killing" by Green B. Morris, got the better of his rider while being exercised this morning and ran away four miles.

A story is going the rounds here that jockey Baird will be placed in good standing by the Jockey Club. It is understood that he will ride for F. R. Hittcheck.

In her race at Crescent Park today Lady Navarre failed to come up to the expectations of those who have been choosing her as the Derby winner. She finished behind Logistilla, St. Valentine and Macy Jr. She was conceding them all a lot of weight, but was decisively beaten, quitting after running prominently to the stretch bend. St. Valentine, consistent horse, has raced against nearly every Derby candidate here, and has found Guiding Star the hardest proposition he has had to tackle, though Hallowmas, too, has a good race against him. Macy Jr. had such a pull in the weights over the lady today that it looks like she should certainly hold him in the Derby weights, but there are a half dozen which seem to have it on him by a decided margin.

Guiding Star was worked a mile before the first race today. The track was quite a bit off its best speed, but he handily went around once in 1:44, the fractions as follows: 12½, 24½, 50, 1:16½, 1:30, 1:44. Ben Hodder worked free Guiding Star and just as handily, though he did not work quite as fast. His fractional time was 12½, 25½, 51½, 1:04½, 1:17½, 1:45. He was ridden by Lucien Lyne. Both horses carried Derby weights.

Phil Chinn added to his breeding establishment today by the purchase of Judge Himes and the following named horses: Connon, Fritz Scheff, Hattie Kingston, Julia Arthur and Intrigue.

He will ship the lot to a farm near Lexington, Ky. Monday.

The two-year-old My Son was sold at auction in the paddock today to George Galvin, A. L. Aste's trainer, for \$200.

W. M. Murray today received word of his reappointment as starter at Toronto. He also received a letter from Secretary A. R. London of the Hamilton Jockey Club saying that 150 new stalls are being erected.

Rainland merely wrenched an ankle in his race Friday and the veterinary says that after a rest he will be able to race again.

## BIG CROWD SEES SOME SPLENDID RACING.

Mechant Lowers the Oaklawn Half Mile Record—  
La Pucelle Defeats Aaron J. and Convol.

Hot Springs, Ark., March 10.—The best racing in the history of Hot Springs tracks was witnessed today at Oaklawn. Summer-like weather brought out a banner crowd and speculation in the ring was of tremendous proportions. Joe Yeager alone handling close to \$50,000 during the afternoon. The track was lightning fast. Finishes in nearly all the races were star, and on two occasions the crowd cheered like mad. The most noise was made when Radtke on Mechant and Higgins on Miss Strone were fighting it out stride for stride almost the length of the stretch. The colt put up a splendid performance and clipped off one and one-fifth seconds from the previous track record for a half mile. Radtke's superior riding gave Mechant the victory by a nose.

The finish in the sprint race was also a thriller. Interest was more keen because the three star riders were fighting it out. Sewell was on La Pucelle, Hildebrand on Aaron J., and Radtke on Convol. They finished in this order half lengths apart.

Announcement was made today by the management that the Arkansas Derby and Pine Bluff Handicap will be decided on April 7. Special trains will be run from Little Rock and Pine Bluff on this date to Hot Springs. It is expected that the biggest crowd ever assembled here will be in attendance at Oaklawn to witness these events.

W. Clement, star jockey from South Africa, arrived today and will accept mounts here. He is twenty years old and rides at 87 pounds. "Counselor Bill" Brien will have first call on his services.

J. W. "Bub" May arrived today from Memphis and after looking over the horse alleged to be The Rake said that it was not even the horse trained by Will Wallace for a time and known to be The Rake.

Tres Joli was sold today by J. O. Keene to F. J. Ponies for \$1,000.

M. L. Hayman shipped ten horses to Benning today.

Joe Hawkins scoured the Memphis handbooks over the victory of La Pucelle.

## CHINN, RACING BILL PASSES THE HOUSE.

Will Become a Law With Governor Beckham's Signature and Appointment of Commissioners.

Frankfort, Ky., March 10.—The Chinn Racing Commission Bill passed the House today without amendment by a vote of 83 to 0. It will be enrolled at once, read and compared in the Senate and House and go to Governor Beckham for his approval or disapproval. There is no reason to suspect that the governor will veto it. The measure will become effective as soon as it receives the governor's signature and the five commissioners and their secretary are appointed. The law is a good one and has the approval of all Kentuckians who have the best interests of racing at heart.

It is expected that Colonel E. F. Clay, T. C. McDowell and M. J. Winn will be appointed members of the commission.

## WILL BOOK ON HANDICAPS.

San Francisco, Cal., March 10.—B. J. Weller and George C. Bennett will make a future book on the Brooklyn, Suburban and Brighton Handicaps. The headquarters and offices of the concern will be located at Cincinnati, Ohio. Price lists and quotations will be published about March 24.

## HORACE E. A GRAND YOUNGSTER.

San Francisco, Cal., March 10.—Barney Schreiber's wonderful two-year-old Horace E created a mild sensation by his victory in the Undine Stakes at Oakland today. Away badly, the blocky chestnut raced into a commanding lead in a twinkling and was never extended to win in the marvelously fast time for the half mile of 47 3-4 over deep track, the reverse of fast.

An offer of \$18,000, it is said, was made for the Bannockburn—Miss Lynah colt immediately after the race. The youngster is a Futurity eligible and J. G. Pollansbee, who saw Horace E perform, pronounced him the fleetest and most promising horse of his age that he had ever come across this early in the season.

## A. T. A. DIRECTORS IN SESSION.

New Orleans, La., March 10.—Directors of the American Turf Association are holding a prolonged session tonight. It has been announced that William F. Shannon has relinquished dates for a spring meeting at Essex Park. It has definitely been decided to hold a meeting at Lexington, Ky. It was feared for a while that the gates of the old track would not be opened this spring. Treasurer W. J. O'Brien was in attendance for only a few minutes. Business matters in Chicago necessitated his taking an early train for the North tonight.

## WOODRUFF GOES TO NEW ORLEANS.

Memphis, Tenn., March 10.—Secretary Harvey T. Woodruff, of the Western Jockey Club, spent today with President S. R. Montgomery, of the New Memphis Jockey Club, and left tonight for New Orleans. It is said that the matter of dates for the spring meeting here was discussed and that there is a possibility that a special meeting of the Western Jockey Club stewards will be held in New Orleans to pass upon them. The dates wanted are from April 16 to May 9.

## ELLISON SEES YOUNGSTERS AT WORK.

Memphis, Tenn., March 10.—C. R. Ellison, en route from New Orleans to Hot Springs, stopped off today to see his horses work at Montgomery Park. His two-year-olds showed him quarters in better than 25, he said, and John Smulski ran five furlongs in 1:07.

## NOTES OF THE TURF.

Sallie McClelland and Katy of the West are both in foal to Nasturtium.

The Jockey stable will leave Lexington for Belmont Park about April 3.

John E. Madden will ship 25 horses from Lexington to Benning on March 19.

Dutch Barbara and Tom Crow are recent additions to the string of J. C. Milan at Hot Springs.

Winner—Br. f. by Potomac—Barmid II. (trained by C. A. Ross).  
Went to post at 4:11. At post 3 minutes. Start poor. Won driving; second easily. Sunray was in a contending position from the start and, coming fast in the stretch, got up to George P. McNear and outstayed him in a gamely contested finish. George P. McNear set the pace fast, was under pressure from Gilpin, and then Sunray, from the start, and finished resolutely under punishment. Gilpin ran a fast seven furlongs, but tired in the closing drive. Miss May Bowdish ran to her best form and finished fast.  
Overweights—Miss May Bowdish, 24 pounds.

Winner—Br. c. by Lord Henry—Perfidy II. (trained by W. Cole).  
Went to post at 2:30. At post 1 minute. Start good. Won handily; second easily. Tomochichi, lucky throughout, wore down the early leaders on the stretch turn and held Kate Zitt safe in the final drive. Kate Zitt was away fully in motion and quickly ran into a long early lead, but it took Radtko's best effort in the last sixteenth to make him last. Miss Leeds had no apparent mishaps, ran a good race and, with riders reversed, would have won. Montgomery was the best of the others and closed a big gap from a poor beginning. Idaia quit badly.

## PAL, 5-1, 3rd ADVERTISED SPECIAL

Wired my patrons throughout the United States for a plunge bet straight and show. The week coming will see some large things at OAKLAND. The following is advance information from my man at the track.

## TOMORROW! TOMORROW!

I have word on one that is as good as in now. Turfites, this will be a pipkin; don't miss it. This horse is fit and ready and my man informs me can't lose unless he falls down. I will advise a plunge bet to win. Turfites, here is your chance to get in on one that will be a good price.

## TUESDAY! TUESDAY!

One that will be a good price. This horse has worked fast enough to beat the best on the coast and the conditions let him in where you can bet with the utmost confidence.

## THURSDAY! THURSDAY!

One that will be as good as YADA, which ran second at 30-1, and ST. GEORGE, JR., which won at 30-1. I will advise a stiff bet on this one, but the track must be fast or nothing doing.

## NOTICE! NOTICE!

I do not wire two or three each day and if one wins claim it as a special. I stand or fall by one only each day which I guarantee genuine inside information from my man at the track, who is one of the best clockers in the business and has worked for me the past five years. Every horse I wire after is fit and ready and trying and with an even break will get the money.

## Oakland Races Only.

Special One Horse Wire each day from my man at the track. Wired in Code. Upon receipt of your order for wires, I will send Code by return of mail.

## ANSWERS TO QUERIES.

Win. H. H., Chicago, Ill. The correct final time was 2:00.

"Hand Book," Toronto, Ont. There was no such horse in the race and the bet was a draw.

H. G., Antioch, Ill. Such wagers are decided by the facts and A wins.

J. J. B., St. Louis, Mo. No. Place and show hacking in a small ring where prices change quickly when considerable money is offered accounts for it.

A. and B., St. Louis, Mo. B. loses; once notified after rule or having knowledge of its existence and operation is sufficient.

## "PLUNGE" SPECIAL

A "baby" will be sent after the coin Monday whose "prey" has been most careful and on which only the insiders will have the word. This "good thing" has been trained on the ground. Mr. Arthur dug this one up some days ago, and has kept him constantly under his eye ever since.

They worked this "trick" early the other morning, long before any of the "gentlemen clockers" were about, but he did not escape the watchful eye of Mr. Arthur, who says there's nothing to it.

## GARNISH, 5-1, 2nd

My one best bet consists of but one horse a day never more. I don't hand out a bunch of specials and call them a one best bet. If you want one horse a day give John J. Ward a trial, the trainer and clocker who is on the ground and handing out live ones.

Jockey, days in advance. If you ever had any doubt in regard to John J. Ward being a practical horseman and trainer and a man in a position to get the best advance information obtainable, I will dispel all that doubt by giving the name of the horse and that of the jockey who will ride. A sensational trick that will be cut loose next Saturday, March 17, days in advance. Has any one else been able to give such advance information? I guess not this kind of advance information proves conclusively that I hobnob with the best owners and trainers in the business, otherwise it could not be obtained. This exclusive information with my previously advertised

40-1 shot for THURSDAY  
...MARCH 15th...

will be sent to all clients who are on my books next week.

FIVE WINNING WEEKS—then a losing one. In this business, as in all others, there must be good and bad weeks. Last week was our bad week, and I freely admit it. I resort to no subterfuge to cover it up. Open and above board is my way of doing business. The bookies simply got back a little of their own money, and we are still in possession of a big roll of yellowbacks that once belonged to them. And we'll get more of them—and keep right along getting them. Unless all signs fail, we'll get a bunch of them this week. Get in line and see. Wire (any day).

## THE NOXALL SYSTEM A WINNER

and as a safe and conservative method of turf speculation, it has no equal. The success of the system in the hands of purchasers is its best advertisement a system ever had.

The Noxall System is copyrighted and the only system sold under a positive guarantee. Your purchase money is refunded after a 30 days' trial if a loss can be shown. It has nothing in common with the many systems that have been devised, and is entirely different from anything in existence. It is devised on an entirely new theory. It does not require tips, selections or handicap figures. The plays are not based on odds, jockeys, favorites, etc. Neither does it call for plays in every race.

It can be operated at any TRACK, POOLROOM or HANDBOOK. Bury it in the ground, take it out a year from now, and it will go on PICKING the WINNERS just the same.

## SEND FOR FREE BOOKLET GIVING PARTICULARS

which will be mailed (free) on request. The Noxall System is not a gambling method of play, but earns large profits on a moderate capital. The system will average about NINE PLAYS a week at any one track. This is THE system you want to be a WINNER playing the races.
